Thank you for letting us know, Mr. Arasiabi.

Judge Korman wanted to let you know that he has asked Deirdre von Dornum of the Federal Defenders to act as standby counsel, which means that she will be available to consult with you. Ms. von Dornum's appointment does not affect in any way your ability to represent yourself; she will simply be a resource to you.

Hi I have asked attorney Keefe to submit his motion to withdraw and not to take part in the zoom hearing. His only fiduciary responsibility is toward me and he is not answerable to anyone outside his jurisdiction either.

Unfortunately not, Ian. We have a proceeding at 2pm on Monday. I can be free as of 4:30pm, but if we run into technical issues, the Court's IT staff likely won't be able to assist after 5pm.

How does Tuesday work for everyone? I can make myself available all day, 9am-5:30pm.

Thanks,

Tali

Hi all,

I hope this message finds you safe and healthy.

I'd like to offer you a test videoconference in advance of Wednesday's hearing to make sure you can connect remotely to the Court's videoconference platform, Cisco webex. The test will allow us to address any technical issues in advance of the hearing.

I am available on Monday morning and all day Tuesday. Keep in mind that I am referring to business hours (9am-5:30pm).

Thank you,

Tali
